

Sponsorship levels to grow your impact

Support our mission to foster an awareness of and appreciation for Wallingford's history and architecture by becoming a community sponsor today.

Who We Are

We are a grassroots nonprofit focused on promoting the history and architecture of the Wallingford neighborhood of Seattle.

Since 2017, we have hosted seminars, workshops, and lectures, sponsored clean-ups, published three self-guided activities exploring the neighborhood, beautified three utility boxes along N 45th St with local artwork, and successfully led an effort to list the Wallingford-Meridian Streetcar Historic District on the National Register of Historic Places.

By joining us as a sponsor, you'll support all of our upcoming programs, allowing us to do more and increase the benefit to our community.

Upcoming Programs

Renovator Fair

This free event at the Wallingford Center invites the public to meet with local contractors, businesses, and City of Seattle staff to learn more about home & garden renovation and care.

Virtual Workshops

These free workshops will host a panel of experts to expand upon topics from the Fair through discussion and Q&A opportunities. The first workshop will focus on ways to add gentle density through D/ADUs.

Speakeasy Cocktails & Canapes

Our second annual fundraising event will bring together specialty food & drinks, live music, cosplay, and a silent auction set to a roaring 1920s theme.
